Technology and choice have given the public power like never before. This shift accelerated the pace of change, creating an experience gap between what customers expect of government and what’s delivered. To close the gap, you need to understand what’s happening and why.

Whether assisting an applicant, taxpayer, passenger, farmer, student or even agency employees, Medallia helps transform daily interactions in the services you provide. Customer Experience isn’t just surveys. It allows for a diverse, and inclusive public experiences that greatly influence how likely people are to engage, contribute, and believe in the promises of our nation. In summary it is knowing what you need to achieve your mission and ensure equitable listening.

With Medallia, you can create a culture of empowerment and action, foster innovation and creativity, improve employee happiness and productivity, and elevate employee experience as a strategic pillar, central to your agency’s success. By providing employees with real-time, actionable insights, they can better serve the public.

When you understand what’s important to your customers and employees, you improve public trust and drive demonstrable impacts in operating efficiencies, risk reduction, issue resolution and more.

**Capture Every Signal**

Great, we'll see you tomorrow. When you arrive, please stay in your car and text ARRIVE for contactless check-in.

Elevate the public experience
Drive change across your organization through equitable listening

- Elevate the public voice with richer feedback and robust action management across many touchpoints.
- Quickly identify pain points and rapidly capture feedback to implement solutions to address them continuously.
- Generate alerts for service teams when an issue arises and allow you to close the loop with individuals rapidly.
- Customers can connect with officials on what matters most, including building a better budget with their tax dollars.

Engage and empower employees
Engage and empower employees to drive better service for the public experience.

- Drive organizational efficiency by designing, managing, and scaling world-class employee experience programs.
- Establish a culture of empowerment and action, foster innovation and creativity.
- Improve employee happiness and productivity, and elevate employee experience as a strategic pillar central to your agency's success.

Rebuild trust in the government
Improve communication and increase the confidence in the government.

- Identify and act on the appropriate signals.
- Enhance resident trust through positive service delivery experiences.
- Establish and implement equitable policies.
- Change negative perceptions by delivering on promises.
